A BETTER VALUE FEED SOLUTION

Ireland's No.1 supplier

BENEFITS OF OUR LIQUID FEEDS

- Ideal complements to forage-based diets
- Increases nutrient density of diet
- Excellent binder & carrier in TMR diets
- Promotes an efficient and healthy rumen
- Extremely palatable

Our New TMR Products

Eco-Maize

Eco-Maize provides rapidly digestible energy in the form of sugars coupled with rumen degradable protein (20% CP) to balance alternative forage diets. **Eco-Maize** can replace up to 50% of protein concentrate requirements on such diets.

Nutri-Mix

Nutri-Mix is a unique molasses-based feed which combines high quality sugars and medium protein content, resulting in an extremely nutritious liquid feed. Its excellent palatability and energy density makes it an ideal ingredient in the TMR diet.
